SPECIAL PROGRAMS

- **Gifted and Talented Education Program (GATE) Cluster** offering qualitatively different instruction in math, science, humanities, and world languages to students who are gifted and talented.
- **GATE Seminar** program for highly gifted students; students are selected in grades 9 and 10 based on test scores, achievement, teacher recommendation, and student application.
- **Advanced Placement (AP) & College Courses** offered in Spanish Language, English Language/Literature, Human Geography, US History, Psychology, World History, and Statistics. College courses offered in partnership with Mesa CC on the Madison campus—Political Science 101-102, English 101, Communications 103, Math 96 (college prep) and Math 119 (college statistics).
- **Career Technical Education Programs** in automotive technology, broadcast journalism and environmental engineering, preparing students for 21st century careers.
- **Army Junior Reserve Officers Training Corps (AJROTC)** emphasizing the study and development of leadership, citizenship, patriotism, military science and community service.
- **Advancement Via Individual Determination (AVID)** program prepares ethnically underrepresented and/or economically disadvantaged students with academic potential for college, grades 9-12.
- **Specialized Academic Instruction (SAI)** assisting students with an active Individualized Education Plan (IEP); an **Integrated Life Skills Program (ILS)** assisting students with severe and/or multiple handicaps.
- **Deaf and Hard of Hearing Program (D/HH)** providing interpreting services in general education classes and self-contained classrooms taught in sign language and/or orally, with itinerant, speech, audiological, interpreting, transcribing, counseling, and note-taking services. (Madison is the only high school to provide all of these services in the San Diego Unified School District and San Diego County.)
