Things to Consider

- Student Run Schedule
 - Once students choose classes in January, preferences cannot be changed in the Fall
- Review course selections with your student
 - Use the Course Catalog as a guide to exploring new courses
- All students must be scheduled for 6 periods
- 7th Period Electives available (ROTC, Marching Band)

Things to Consider

- Future Plans
 - Students who are planning to attend 4-year universities should take the recommended years of courses to be competitive applicant
- Mesa College, CCTE, and AP courses are a great transition into college level work
- Balance rigorous courses to make sure your student can be successful in them

Things to Consider

- Summer School is the **best** way to recover any D or F grades in graduation required courses
- Repeating courses during the year is based on availability and not guaranteed
- Recovering courses also allows for more elective options as you complete requirements
- Elective selections are not all guaranteed - based on availability. If your chosen course/elective is not offered, an alternative will be offered.
